

Doctoral writing feedback and feed forward: A forum for students and supervisors

Funded by Ako Aotearoa Northern Hub

10 am -3pm November 20

CLeaR Teal Room on Level 2, 18 Waterloo Quadrant

City Campus

How do supervisors in New Zealand best manage their doctoral students' writing development within a reasonable time allotment? This forum takes different approaches to good practice with feedback on doctoral writing, inviting discussion from supervisors and doctoral students. We look at writing feedback for Māori and Pasifika students; management of the overall doctoral writing process; and literacy skills development for students with English as an additional language (EAL). Lunch will include a pub-style quiz on writing feedback terms.

This symposium is free; however, registration is important for lunch catering.

University of Auckland attendees should register their interest [here](#). Those outside the University of Auckland are welcome to email Zoë Pollard at z.pollard@auckland.ac.nz. Please attend as many of the sessions as you are able.
