

Postgraduate Week 2017

Monday 14 to Friday 18 August

Register now for the individual workshops and events!

An opportunity for postgraduate and doctoral students to network and engage in postgraduate activities and events taking place on campus.

The week has been themed to reflect the different stages of the research journey for students through various workshops, seminars and networking opportunities. An outline of the activities for the week is listed below.

You will need to individually register for any and all workshops you are interested in during Postgraduate Week through [Careerhub](#)

14 August 2017

Theme: Preparing

- Poster displays in WG306 foyer
- 8:00am - 10:30am: [Postgraduate Week Welcome Breakfast](#)
- Workshops:
 - 10:15am – 12:15pm: [Fine Tuning your Ethics Application](#)
 - 11:00am – 12:00pm: [PG Tips – Successfully Managing the Thesis Process \(webinar\)](#)
 - 12:30pm – 2:30pm: [Research Proposal for your Confirmation of Candidature \(PGR9\)](#)
 - 2:00pm – 3:00pm: [Library Research Skills – Introduction](#)

Tuesday 15 August

Theme: Progressing

- Poster displays in WG306 foyer
- Workshops:
 - 9:30am – 4:00pm: [NVivo Core Skills](#)
 - 5:00pm – 7:00pm: [Interviewing Skills](#)

Wednesday 16 August

Theme: Refining

- Poster displays in WG306 foyer
- Workshops:
 - 9:00am – 10:30am: [Privacy, Confidentiality & Future Use of Data](#)
 - 9:30am – 11:30am: [From Thesis to Article](#)
 - 12:00pm – 2:00pm: [Thesis Depositing & Research Skills – Advanced](#)
 - 12:30pm – 2:00pm: [Job Search/Networking & Elevator Pitch](#)
 - 3:00pm – 4:30pm: [Preparing for your Doctoral Oral Examination](#)
 - 3:00pm – 5:00pm: [EndNote Essentials](#)

Thursday 17 August

Theme: Connecting

- Poster displays in WG306 foyer
- Workshop:
 - 9:30am – 10:30am: [Keeping Up to Date](#)
- 10:30am - 12:00pm: [Gender & Diversity Research Group Panel](#)

Friday 18 August

Theme: Connecting

- Poster displays in WG306 foyer & poster presentations as part of the Postgraduate Research Symposium
- [Connect@ Postgraduate Research Symposium](#)
- [AUT 3MT Competition Final](#)

Further [information about Postgraduate Week 2017 is available on the AUT website](#), or by emailing grs@aut.ac.nz.

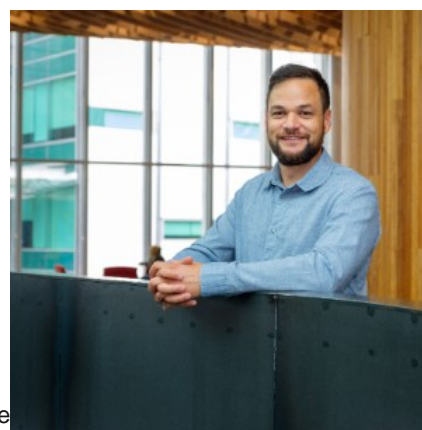

Postgraduate Week Welcome Breakfast

Please indicate your attendance by Tuesday 8 August 2017

An exciting event for postgraduate research students to attend the keynote presentation 'Making the most of a Changing Academic World' by Dr Jesse Pirini.

There is little doubt that the worlds of education, work and academia are changing. Schools are rethinking their learning structure and use of technology; new careers are blossoming while others disappear, and universities are finding their place in this changing world. What are the skills that will set current postgraduate students apart from the rest?

Dr Jesse Pirini will explore how postgraduate students can find their place in an often changing academic and work environment.

Please indicate whether you will be attending this event by Tuesday 8 August by emailing grs@aut.ac.nz.

Connect@ Postgraduate Research Symposium

Please indicate your attendance by Monday 14 August 2017

The event will open on Friday 18 August with a keynote presentation by Professor Welby Ings:

Surviving Vesuvius: Eruption, research and the nature of your thesis.

What is the nature of disruption in research?

Why do theorists tell us it can be a sign of advancement and how do we productively fail and recover on the journey through our thesis?

An address not to be missed!

Following the keynote there will be a full day of oral presentations, creative exhibitions and poster presentations from AUT postgraduate research students. A programme outline for the day will be available for viewing soon.

It is important that if you are intending to come that you RSVP. We require this information to finalise catering. Please RSVP for this event on or before Monday 14 August by emailing grs@aut.ac.nz.

AUT 3MT Competition Finals

Please indicate your attendance by Monday 14 August 2017

The finalists from the AUT 3MT pre-heats will battle it out for 3 Minute Thesis glory on Friday 18 August. There are separate competitions for master's and doctoral students, and the winners of each competition will go on to

the Inter-University 3MT Competition at Victoria University of Wellington (master's) or the Asia-Pacific 3MT competition at the University of Queensland (doctoral).

Please RSVP for this event on or before Monday 14 August by emailing grs@aut.ac.nz
